

## Support our care for the cost of a weekly cup of coffee

For over 25 years, Rowans Hospice has been providing high quality end-of-life care to people in Portsmouth and South-East Hampshire. From diagnosis to care in dying, our focus is to help people live life to the full in comfort and with dignity.

It's about creating a space whether in our Living Well Centre, our Hospice or at home where families and friends can enjoy special moments and create precious memories together.

We maintain the highest professional standards so that our care is the very best it can be. And at the heart of everything we do is compassion – small acts of kindness and understanding can make the biggest difference of all.

Regular donations help us to plan for the future as we have a guaranteed income to support the work we do.

“Taking out a monthly standing order to support Rowans, my local community hospice, is the least I can do. The Hospice has helped and supported so many people in the community, including members of my family. As my sister, Angela, used to say, you might never need Rowans but it's important that everyone living in the area does what they can to make sure Rowans is always there for our community. By giving a little every month, I feel proud that I am helping to make sure Rowans' amazing support is there for my children and grandchildren.”

## £10 per month regular giving

Many people are surprised when they find out that we are a charity because all of our care is delivered free. Each year it costs us over £6.5 million to provide our services. 86% of our income is generated by legacies, donations, fundraising and our retail shops.

This is a huge amount of money to raise every year and we know that it is only possible to provide the support and care that we do, through the ongoing support of you: our local community.

We are asking you to show your support for the care we provide by setting up a regular gift of any amount you choose today. The need for our services has never been greater and now, more than ever, we are counting on our friends for their loyal support.

Please complete the form over the page to set up your regular giving to Rowans Hospice. Any amount is appreciated.

## Why Regular Giving?

Donating regularly through your bank is easy to do and it's a cost effective way of supporting Rowans Hospice. Most importantly, it provides us with regular income, ensuring we can plan ahead and use the money where it can best support our patients and their carers.

## What is Gift Aid?

Gift Aid allows a charity to claim back a sum on top of your donation from HMRC, at no cost to you. If you are a UK taxpayer paying income tax or capital gains tax, we can claim an extra 25p for every £1 you donate. This makes a real difference to the care we can provide.

## What Happens Next?

Once we receive your form, we will write to you to say thank you and confirm your Direct Debit donations, including when the first payment will leave your bank account.
